FUNCTION #6 accommodates 788 film watchers. Our 16 foot projection screen is on stage and films will be projected from the balcony above. The seats are comfortably spaced and so arranged as to permit everyone good viewing angles. In the areas where no seating is shown, portable bar and buffet areas are suggested to enhance the efficiency of this particular use of the room.

Along the North wall of the main banquet room is a balcony 6' x 131' which can be used for additional diners, visiting dignitaries, projection equipment, spot lighting.
