FUNCTION #5 is ideally set up for graduations or large lectures. A speakers' table and podium are set up on an elevated platform. The chairs are comfortably spaced and can capatitate 1232 people. Please note that for smaller numbers of people, the room can be made smaller and a cocktail hour and buffet area can easily be incorporated with the overall scheme for additional convenience.

Along the North wall of the main banquet room is a balcony 6' x 131' which can be used for additional diners, visiting dignitaries, projection equipment, spot lighting.
